So this guy from Bureau of Engineering-Real Estate Division, Uriel, called this morning and told me that he happened to be attending yesterday's hearing and is willing to give us some advice/guidance to move the dedication process forward as fast as possible.

He told me he would be available to meet with us after Turkey Day. Hamilton, you probably don't need to attend but are always welcome.

Hi Uriel,

Thank you so much for calling this morning and explaining the Dedication process. I'd love to take you up on your offer and set a meeting with us and the community to make sure everything goes smoothly.
